Door Station Features

- Digital PanTilt and Zoom camera eliminates blind spots with 170° wide angle lens
- Card and keypad access door stations available

Master Station Features

- 3-1/2" LCD screen
- Compact, attractive design complements most interiors
- Hands-free or push-to-talk communication
- Camera position and zoom can be set for call-in
- Includes single N/O door release contact
- Camera can be adjusted to compensate for bright illumination
- Picture memory records up to 40 calls in both wide angle or preset zoom view (JK-1MED only)
- Entry can be monitored via the master station
- 1 output to control a secondary device like a light, gate, or additional door
- Video out to DVR via supplied connector

System Features

- Convenient box sets are complete with a master station, each with a different door station, and a power supply (1 sub master station can be added for a full 1x2 system)
- Quick and easy to install – only 2 wires!
- Can go online using the JKW-IP Video Intercom Adaptor in place of the JK-1HD (see page 16)
