Conventional Box Outdoor Housing

Model Name	Model Description	Item Code
A-OH15F	Outdoor Bullet Type Outdoor Housing	1588V039
A-OH15FBHSET-S(OW)	Outdoor Bullet Type Outdoor Housing in Stainless Steel w/ Heater and Blower	2038V641
A-OH15FBHSET(OW)	Outdoor Bullet Type Outdoor Housing w/ Heater and Blower in Steel	1381V126

Ideal for fixed box cameras that need a sturdy outdoor housing . Models with built in heater and blower are available to all weather use. An fully adjustable wall mount comes standard in all models of the housing, although an optional ceiling mount adapter is available. A sunshield is also available for all models for warmer environments that helps limit the housing's exposure to direct sunlight.
Compatible Canon Camera Models:
VB-H710F, VB-M700F
