BOSCH

Invented for life

- Reliable and interference free
- Strong and flexible
- Photo ID compatible
- Credit card size

The ACD-ATR11ISO proximity read-only card offers universal compatibility with the Wiegand IF reader type W 3. The card includes an embedded antenna, and an RFID integrated circuit including a printed number on the surface of the card enabling contactless reading by readers.

The credit card sized card conforms to the ISO-standard size enabling surface printing with conventional ISO compatible card printers. This card is durable with IP 68 and can be fully submerged, all the electronics are sealed inside.
